GREETINGS FROM THE DISTRICT MANAGER

November is here, and it's wonderful to see more of our seasonal residents returning to Holiday Park! Whether you've been here all summer or are just settling back in, welcome home. We look forward to a busy season filled with activities, friendships, and opportunities to enjoy our community. When you arrive back at Holiday Park, please stop by the District Office to let us know you've returned and confirm your contact information is up to date. Plus, we'd simply love to see you and welcome you back!

As the Park becomes busier, please keep safety in mind when traveling through our community. Watch for walkers, bicyclists, and golf carts, follow posted 15 mph speed limits, and use caution at the gates. Bicyclists and pedestrians should use the designated pedestrian gate.

Please check that vehicles on your property are operable and properly registered as per our Deed Restriction 3 (f):

No derelict vehicles, vessels or trash of any description shall be kept or permitted adjacent to or upon any lot. No vehicle repair work shall be conducted upon any residential lot except for necessary minor emergency repairs. Lot owners must remove all loose items such as hanging baskets, barbecue grills, bicycles and figurines etc. during hurricane/tornado warnings and when leaving for (30) thirty days or more to prevent damage to subdivision or lot owners homes.

Thank you to the residents who continue to care for their properties and work with the District Office to address property cleanup concerns. Your efforts help keep Holiday Park welcoming and beautiful. If you're returning for the season, please take a few moments to check your property and make sure the office has your current contact information.

As a military veteran myself, Veterans Day holds a special place in my heart. I am proud to join our Holiday Park community in honoring all who have served in the United States

Armed Forces. To my fellow veterans and the families who have supported them, thank you for your service, sacrifices, and dedication to our country. It is an honor to share this community with you.

With Thanksgiving approaching, I want to thank our Staff, Trustees, Committee Members, Volunteers, and residents for everything you contribute to Holiday Park. From caring for our grounds and facilities to organizing activities and helping a neighbor, your efforts make a difference every day.

Wishing you and your families a happy Thanksgiving and a wonderful start to the season!

Vicky Lawrence, District Manager

HOLIDAY PARK ACTIVITIES AND RECREATION COUNCIL (ARC)

Greeting neighbors

It's really nice to be back in God's country. I love Florida anytime of the year. I am really looking forward to welcoming back my northern friends in the next few months.

We are still looking for someone to volunteer to be the Secretary of the HPARC council. If you are interested in this position, please contact me at 317-800-3519.

Come to the Phase 1 clubhouse every third Tuesday at 7:00 pm for the HPARC meeting where with a homeowner's card you can vote on how we spend your money for the year.

Looking forward to seeing you there.

It has been brought to my attention by a resident that having a Christmas Tree that honors loved ones who have passed, achieved milestones or hold special meaning, using personalized ornaments, photos and heartfelt messages to keep their memories alive during the holidays would be a great idea. The HPARC council agreed and we will be setting up the honor tree in the Phase 1 clubhouse in the left corner by the kitchen on November 24th and the 25th. If you would like to bring an ornament, photo or just a message and hang it on the tree, please feel free to do so after the 25th of November. You will need to have your own way of hanging it as this will not be provided. This tree will be up until around the 10th of January for all to see.

Shirley Haggard, HPARC President

MEN'S CLUB INFORMATION

"A strong community isn't built by one person—it's built by neighbors who care, lend a hand, and come together. When we support one another, we make our community a better place for everyone."

October brings a change of season and, with it, the return of our snowbirds. The park will soon come alive once again as we welcome back our friends, neighbors, and familiar faces. It's a wonderful time of year in our community to reconnect, catch up with old friends, make new memories, and enjoy all that our park has to offer. On behalf of the Men's Club, we are already looking forward to the 2026/7 season. There are exciting changes in the works for next year, so stay tuned.

Reminder: Men's Club Board Elections

Just a reminder that this is an election year for the Men's Club Board. If you would like to serve as a board member and have ideas or suggestions to help improve our organization, we encourage you to run for a position. Please fill out an election nomination form and have it ready to submit at our next meeting. We appreciate your willingness to get involved and help make our club even better. Thank you!

2026/2027 Picnics & Parking

If you come by golf cart, please park all the way back behind the trees where people have their tables and chairs set up. If you have set your table and chairs near the shuffleboard court, please park alongside the courts. DO NOT drive golf carts on the pavers in the sidewalks between the parking lot, the shuffleboard court, and the kitchen. Golf cart parking is also available in the designated spaces of the parking lots in front of, and on the side of the club house. This gives the workers room to get from the charcoal grill to the serving tables and to the beverage area. Please do not park in spaces obviously designated for cars. The entry ways will be the same as always—on both sides of the big tree. PLEASE DO NOT ENTER area marked with caution tape. Please abide by the NO PARKING lines. This is important so that there is always access for emergency vehicles if they are needed. It's important to remember that all residential

lots of Holiday Park are private property and require permission from the owners if you want to walk across or park on their property
