As the season is in full swing, please ensure you are following the rules and regulations at the pool and common areas.

Please adhere to the speed limit, there are many people bicycling and walking. We want our residents to remain safe.

I'm currently working on violations of abandoned homes that are in dire need of being demolished, I'm working with the North Port City Officials to determine how to proceed forward.

I would like to thank the Residents, and Trustee's, Committee members for their continued support and guidance as I begin my second year of employment. I'm

lucky to have met such a wonderful group of people.

If you did not register for text alerts, please do so. Please text the word holidaypark to 941-214-7989. This will subscribe you to receive text alerts.

Let me know if you have questions or concerns. My door is always open, and I can meet you in the park or my office. My email and phone numbers are listed on my business card. Suggestions are welcome.

Thank you. **Carmella Coons**, District Manager

HOLIDAY PARK ACTIVITIES AND RECREATION COUNCIL (ARC)

February was a very busy month and hopefully March will be a bit slower. That being said, we do have some new events planned that we hope you will find fun and exciting. These are original events that have never been done before here in the park so we anticipate the possibility of a glitch or two, but we are flexible and can go with the flow of things. Remember we are always open to new ideas so don't hesitate to bring them to a council member.

Residents can now view pictures on the park website: go to park website, click on things to do, then events, scroll down to link under the camera "PHOTO SHARING" and click enjoy pictures.

I would like to give everyone a heads up and plenty of time to think about the 2024-2025 season. Council positions up for election this next season will be 1st VP, Secretary, Triple F, Sports, and Welfare. You must be a homeowner and a member in good standing to run.

I am glad to see so many residents continuing to enjoy all that Holiday Park has to offer.

Kathy Bachman, HPARC President

DID YOU KNOW.....

- You do not have to be a Florida Resident to be on the HPARC council, however it is a requirement to be a Trustee.
- Old books and puzzles should not be left in the library without talking to librarian Linda Gibson.
- There are restrooms outside in the walkway from parking lot for people using the pool.
- It is against Florida law to feed wildlife, including alligators.
- The speed limit in Holiday Park is 15 mph.

LAWNS

Hello Holiday Park, I hope everyone is aware that the pool in phase 2, is now open and the water is perfect!! Thank you, to our staff, for their continued diligence, in our recovery from hurricane Ian. Our district manager, Carmella, is doing an awesome job!! Thank you, Carmella!!

There have been concerns over the blowing of debris onto the cars, and the bocce courts. I have spoken to Daniel, and made him aware of the situation, and he has said he will advise the lawn personnel to be more careful. The trees by the common area, adjacent to the tennis courts have been weed wacked, per a resident complaint.

US Lawns, our current lawn service, has requested a lawn increase, they would like a substantial increase in their monthly fee in their service contract, Colin, has submitted a couple different proposals, to possibly consider. The board will be discussing all these issues at our next meetings.

Reminder, please inform the lawn service if you wish to maintain your own property, also, with the new sod, please have the area roped off, so we can prevent any issues.

Thank you, everyone for your cooperation in helping me with the lawn and swale issues in our community, I appreciate all of you.

Deb Perla, Trustee Lawns

ARCHITECTURAL CONTROL COMMITTEE (ACC)

There have been a lot of changes here in the park. Several new homes have arrived with more to come. Several residents have been able to make the needed repairs to their homes. When you are preparing any plans for repairs, make sure you turn in for an ACC permit. If you fail to do so, you will be subject to a stop work order being issued. Also, you may be subject to being turned over to the fining committee for any violation that may occur. If you are putting in a new home, make sure to read the ACC rules and stop by the office and get a new home packet. This explains the process and needs for your new home. Finally, make sure you and your builder check with the city on all the permits they require. I'm suggesting this to the idea that the city of North Port is always updating and changing things. If you have any questions about any of your projects, please feel free to contact me or any member of the committee. We are here to help you. Thanks.

Bob Bachman, Trustee Chairperson ACC

HOLIDAY PARK SAFETY

I want to thank Kathy Bachman, the president of ARC, for organizing the safety presentation by the North Port Police Department on February 1. Thank you to all the residents who attended. I hope you found it informative. A couple of take away points I want to emphasize from the presentation are:

1. We live in a very safe community.
2. Don't hesitate to call 911 if you see any suspicious activity. For general safety concerns and non-urgent matters, please call the nonemergency number 941-429-7300. I followed the officer's suggestion and put this number in the contact list in my phone. I encourage you to do the same.

Please don't hesitate to call me if you have any safety concerns.

Sharon O'Reilly, Trustee Safety

between the parking lot, the shuffleboard court, and the kitchen. Golf cart parking is also available in the designated spaces of the parking lots in front of and on the side of the club house. The change in parking for the picnics is to give the workers room to get from the charcoal cooker to the serving tables and to the beverage area. Please do not park in spaces obviously designated for cars. The entry ways will be the same as always—on both sides of the big tree. PLEASE DO NOT ENTER area marked with caution tape. Please abide by the NO PARKING lines. Sometimes golf carts, scooters, bikes, and cars are parked on these painted lines which mean NO PARKING in this space. This is important so that there is always access for emergency vehicles if they are needed. It's important to remember that all residential lots of Holiday Park are private property and require permission from the owners if you want to walk across or park on their property.

Tennis

In typical fun-filled fashion, the February Gasparilla Pirates Tennis tourney saw the Pink and the White teams gather the most booty. Following our March 9th meeting, a Leaping Leprechauns event will take place, organized by Mary Paula and her lucky charm volunteers.

Most inter-park league play will be completed by months' end. All of our men's and women's teams remain competitive within their respective divisions. League banquets and team parties are slated for early April. Thanks to team captains and co-captains for helping each of our teams enjoy this year's challenges!
