Jim Oliver wanted employees to have the opportunity to address concerns with the District Manager after termination. Don LaMaster wanted the following clarification to 5c to "Any NEW capitol acquisitions over \$40,000 be approved by the board and submitted to a

referendum of homeowners. Sharon O'Reilly also suggested a change to 6c. as follows "Evaluate each employee at least once a year, VERBALLY SHARE WITH TRUSTEES, and place evaluation in the employee file. Sharon O'Reilly was concerned about increasing costs per load. Lois Langtry asked about the current process for the company to collect money from the machines and if there was a way that we can prevent them from collecting. Brett Burmann states he has removed their gate code. Motion to table this discussion by Don LaMaster, 2<sup>nd</sup> Bob Bachman.

Discussion: Karin Anderson wants the time frame to be six (6) months starting today. Sharon O'Reilly agrees with Karin Anderson on the caveat that we can extend this again in the future if needed.

Bob Bachman can go with either six (6) or (12) months but is concerned about residents who have abandoned their properties including the LLC. Sharon O'Reilly is concerned that if we do not extend the timeframe the ACC will be overwhelmed with variance/extension requests. She is also concerned about abandoned properties. Ken Judd is concerned that residents are not making appropriate repairs. Jim Oliver responded to Ken Judd 's concern and stated that the City of North Port inspectors are here in the park and issuing citations. Jim Oliver asked for resident comments on this issue. Jim Oliver was concerned about changing a deed restriction but understood the reason for the resolution. Karin Anderson reminded residents that a letter was sent to all non-permanent residents with a deadline of 11/28/2022 for clean-up. She reminded residents that they would have to pay for debris removal if not done before the City of North Port final pickup. Ken reminded residents that they are responsible to clean their own property and wanted to keep the current resolution date of 12 months. Sharon O'Reilly was concerned about cleaning your property of debris vs. repairs and who would decide this.
