employees:

- Tanner West – Maintenance Supervisor
- Nicholas Perrine – Maintenance
- Travis Ewing – Groundskeeper
- Don Rossman – Night Custodian

A big Thank you to all the Residents, Trustees, etc. during personnel changes, computer updating, projects, assisting us with office coverage. Your continued support is amazing.

As we are currently in hurricane season, please ensure that all your outside items are stowed away properly, we wouldn't want any items blowing around during a storm and causing harm to someone or their property.

Pool Policy:

PLEASE, NO SMOKING IN THE POOL AREAS. THIS IS A RULE. I'VE HAD SEVERAL COMPLAINTS THAT A FEW RESIDENTS ARE NOT ADHERING TO THIS POLICY.

If you have questions or concerns. My door is always open, I will meet you and discuss any concerns you may have. My email and phone numbers are listed on my business card. Suggestions are welcome.

Thank you. *Carmella Coons*, District Manager

HOLIDAY PARK ACTIVITIES AND RECREATION COUNCIL (ARC)

Bob and I are still traveling but have been following all the work being done in the park. It is great to see the progress on the sunshades and the planting of more trees on Tuscola. New homes continue to come in and I think our snowbird friends will be pleasantly surprised when they return in the fall.

HPARC would like to express our deepest sympathy to Lois Langtry and all the family on the loss of Trustee Ken Judd. He was always willing to participate in Triple F skits and this allowed the residents to see another side of Ken. He will be missed.

Hoping everyone is having a happy and healthy summer.

Kathy Bachman, HPARC President

DID YOU KNOW.....

- Membership in ARC is limited to homeowners, spouse/significant others living in the same household. 1st year of membership after purchase is free.
- We have a Memorial Pathway near gazebo on Tuscola. Bricks may be purchased for \$50.
- Remove all loose items during hurricane warnings or when leaving for more than 30 days.
- IT IS AGAINST FLORIDA LAW TO FEED WILDLIFE, INCLUDING ALLIGATORS..
- SPEED LIMIT IN THE PARK IS 15MPH.

IMPORTANT FLORIDA LAW CHANGE

New law, in effect as of October 1, 2023, golf cart drivers under the age of 18 must be at least 15 with a learner's permit or 16 with a driver's license. Anyone who is 18 or older needs a valid government issued ID.

This change in the law is due to the number of children injured and killed while driving golf carts. Please keep your grandchildren safe and do not allow them to drive your golf cart.

LAWNS

Hello, Holiday Park, can you believe it's August already? We have had our summer rain, and everything is growing rapidly. Our Holiday Park groundskeepers are doing an excellent job, thank you. I would like to congratulate Tanner, who is now our new maintenance supervisor. He is doing a great job, along with his crew, thank you.

The park has also planted more palms along Tuscola, taking advantage of the rain. So, welcoming along the drive into the park.

U.S. Lawns can be expected to be here every week this month. Specifically which days, that depends on the rain and weather conditions.

Carmella & I have been in contact with the lawn rep. consistently with lawn concerns, please know we are trying for better results. The high temperatures and the super fast-growing conditions are making their job more challenging. Thank you.

Thank you. **Deb Perla**, Trustee Lawns

HOLIDAY PARK SAFETY

As the dog days of summer continue, please stay diligent about safety. Speaking of dogs, when I asked the NPPD for safety suggestions they suggested getting a dog!!! Other suggestions included home cameras and locking home and car doors at all times. Please keep your eyes open especially with fewer residents in the park. Call 911 for any suspicious activity.

Please contact me for any general safety concerns or suggestions. Thank you.

Sharon O'Reilly, Trustee Safety

MEMORIAL BRICKS

Many special memories and people in this park's history are forever captured in the Memorial Brick Garden on the pathway leading up to the Gazebo on Tuscola. For more information call **Gary Chapman** at 231-349-6740 or email him at pappychappy14@gmail.com. Order forms can be obtained from the Holiday Park office.

TREES FOR TUSCOLA

More trees were ordered at the end of June, and since there is so much rain, it will give them a good start. BEST NEWS....there was a June Sale going on and we were able to save ONE HUNDRED DOLLARS on EACH tree! That will finish the left side from the entrance gate to the Exit road from Palena. We now have a very good start for getting more trees to work on the right-hand side and go from the gazebo area to the back gate. The tree company told Don there will be another sale later on so if we get some more contributions, we will work on the areas between the trees that survived Ian's wrath. So, save that change over the summer and bring your change back to Holiday Park when you return in the fall. Thanks to all who donate, our avenue of palms is beginning to look just like it did before Ian.

Lois Langtry

WITH DEEPEST SYMPATHY

Ken Judd on Keena Ct. passed away on July 4th, 2024.

Ken was a longstanding member of the Board of trustees. He was also very active within the Men's Club and was very dedicated to the Park. He will be greatly missed. Lois and his whole family are in our thoughts and prayers. **Shawn Slattery**, Chairperson, Board of Trustees

There will be a celebration of Ken's life held in November. One of Ken's bequests was a substantial donation to the pavilion for Men's Club picnics and other park activities. In lieu of flowers, should anyone like to give something, I ask that they make a contribution to the HP Pavilion Fund and give it to Don Lamaster.

Thank you, *Lois Langtry*

Fuel Pump Skimming

Skimming occurs when devices illegally installed on ATMs,
point-of-sale (POS) terminals, or fuel pumps capture data or record
cardholders' PINs. Criminals use the data to create fake debit or credit
cards and then steal from victims' accounts.

Tips When Using a Fuel Pump

- Choose a fuel pump that is **closer to the store** and in direct view of the attendant. These pumps are less likely to be targets for skimmers.
- **Run your debit card as a credit card.** If that's not an option, cover the keypad when you enter your PIN.
- **Consider paying inside** with the attendant, not outside at the pump.

**If you think you've been a victim of skimming,
contact your financial institution immediately.**
