## **FROM THE DESK OF THE DISTRICT MANAGER**

Happy Fall to all the residents of Holiday Park Park and Recreation District, I hope all of you are enjoying this beautiful weather.

I've been driving through the park daily and I've noticed a few things. Carports are mandatory and we have given each owner an ample amount of time to have your home fixed according to our Deed Restrictions.

Please see the Deed Restrictions below:

- 3.(b) No home shall be placed upon any lot unless there is also affixed thereto a carport approved by the District's Board of Trustees. Provided, however, that no home, structure, add-on or accessory shall be placed or erected on any lot closer than six feet (6') from the property line on the sides, ten feet (10') from the property line at the rear and ten feet (10') from the line abutting the road. All measurements shall be from the base of the unit. The front set back shall conform to the set back line established by adjoining units.

### **PETS & PET SECTIONS**

- 3.(i) Provided, however, that household pets are permitted on the following described lots, to wit: Lots 1 through 120, both inclusive; Lots 202 through 221, both inclusive; Lots 252 through 276, both inclusive, all in Block 1; Lots 1 through 67, both inclusive, Lots 144 through 257, both inclusive, and Lots 277 through 540, both inclusive, in Block 2, AND provided further that such household pets shall not, at any time, become a public or private nuisance. For the purpose of construing this Paragraph, the term "household pets" shall be deemed to mean only dogs and cats. No household pets shall be permitted to run at large and shall be restrained by a leash not more than ten (10') in length whenever the owner thereof removes same from the individual lot, or lots occupied by the owners. Provided further, however, that not

more than two (2) such household pets may be maintained on the owner's property at any time. Owners are responsible for cleaning up after their pets (Dog size: Height, 20 inches MAX; Weight, 30 lbs. Max)

### **Rules and Regulations:**

#### **E. Renters**

- 1. All Renters must register at the District Office.
- 2. Badges and gate entry devices are obtained at the District Office. Refer to entry card and proximity card rates for pricing. A deposit fee of \$12.00 will be charged for a name badge. A refund of \$5.00 for the name badge during the current year will be returned upon checkout.
- 3. Rental Application must be filed and approved prior to moving in.

I have noticed a few impatient residents driving in the park on the wrong side of the entrance and passing cars on Tuscola, Palena, and Holiday Park Blvd. This is dangerous, the speed limit is 15 miles per hour. We have cameras that are working and please be cognizant of this, I don't want anyone to get hurt.

Let's begin the season with Pride and let's keep Holiday Park a great community. Thank you.

*Carmella Coons*, District Manager

## **HOLIDAY PARK VETERANS**

American Veterans have done everything asked of them in their mission to serve our country. We have several Veterans living here in our own community. We need to thank them and give them the respect they deserve. A lot of our resident's wear ballcaps that are designated for Marines, Navy, Army, or Air Force. Be sure to thank them for their service to our country. And remember we have female veterans too. There is a Veteran's corner in the PH 1 lobby. The pictures that were taken and put in safe storage prior to the renovation will be put back up soon. If you are a veteran and have not had your picture taken, watch for upcoming information from the newly formed committee.

# HOLIDAY PARK ACTIVITIES AND RECREATION COUNCIL (ARC)

I want to welcome back all our snowbird friends who have arrived and wish those on their way safe travels. Seems this will be our first “normal” year we have had since the covid pandemic started. ARC has some fun events planned for this year and hope all will enjoy them. Remember you must have a current ARC membership card to be able to vote at meetings and to purchase event tickets on the first day of sales. We are always looking for new and exciting things to do here in the park so feel free to share your ideas with any council member.

We have so many wonderful volunteers and I want to thank them. There is a lot of behind the scenes work that goes into seeing that everyone has a good time. Without them we could not have all the fun and festivities that we have. So please join me in thanking them when you see them.

There is still a chance to join our fun and exciting group on the council. Nominations can be made from the floor at the November meeting. Think about it!

**Kathy Bachman**, HPARC President

## LAWNS

Welcome back, neighbors, as you can see our lawns and green areas are looking very well-manicured. We have a new lawn service, US Lawns, and the foreman's name is Daniel.

The crew will be starting the winter season with 2 mows a month, still on Thursdays. They will be concentrating on the swales at this time also, this process is very labor intense.

Please remember, if you wish to maintain your own lawn, you must communicate with the lawn crew. Thank you to everyone for their diligence in removing lawn hazards.

**Deb Perla**, Trustee Lawns

## IMPORTANT FLORIDA LAW CHANGE

Under the new Florida law that went into effect on October 1st, 2023, golf cart drivers under the age of 18 must be at least 15 with a learner's permit or 16 with a driver's license. Anyone who is 18 or older needs a valid government issued ID. This change in the law is due to the number of children injured and killed while driving golf carts. Please keep your grandchildren safe and do not allow them to drive your golf cart.

## ARCHITECTURAL CONTROL COMMITTEE (ACC)

Welcome back snowbirds! The ACC meets on the 1st & 3rd Fridays of the month. When filling out a permit, please be as detailed as possible. IE paint color Swatch, detailed drawings, when necessary, etc. Depending on what the project is, you might consider attending the meeting in case any questions arise.

At the last Trustee meeting, two rule changes for the ACC were approved: **#16 Skirting** is required on all homes, and must be of decorative block, brick, or vinyl. The block or brick must have a minimum of four (4) inch spacing. The vinyl must be white or of the same color as the home with proper ventilation. All products used for the vinyl must be of a termite resistant material. The skirting on the front of the home must be enclosed and solid; planters are optional. All homes not using vinyl must use a wire mesh or hardware cloth not to exceed ½ inch in size to keep unwanted animals from under the home. All homes must have adequate ventilation, according to building code requirements. All homes and sheds using vinyl siding for skirting must have a minimum of twelve (12) inches of protection around the vinyl siding. This may consist of curbing, flower beds, sidewalk, mulch beds or stone gardens. Holiday Park will not be responsible for any normal wear and tear caused by lawn care and upkeep. **ACC RULE CHANGE #26 F**-Retractable sunscreen may be permitted at the carport entrance, provided they are used infrequently for protection from the sun, and only when the carport is occupied by residents. An example of the product to be used is required. Opaque materials are not allowed. The sunscreen must never be in a pulled-down position behind a car in the carport and always maintaining 12 inches at the bottom for clearance.

Copies of the ACC rules are available online or at the office. Hope everyone has a great season. Don't hesitate to call with any questions.

**Bob Bachman**, Trustee Chairperson ACC

## HOLIDAY PARK SAFETY

I know there has been an increased concern regarding safety due to recent events in the park. I have been in contact with the North Port Police Department. I requested and received a breakdown of calls for service list for Holiday Park for the last year which I shared with the trustees at the regular meeting on October 12. I have been reassured by the North Port Police Department that our Park is a safe place to live.

Safety suggestions from the police department included cameras at gates and common areas/buildings, individual home cameras, neighborhood watch/community patrol groups and dog ownership. Our front gate camera was effective in identifying a resident who hit the front exit gate and left the scene. I had a brief meeting with Carmella and discussed some other safety strategies. The police department offered to schedule a general safety and/or question and answer presentation. The board agreed to add a discussion of safety to the next workshop on October 24.

It is very important that the office is aware of who is staying in the park. Please register your guests and renters and let the office know when you leave for the season and upon your return. Please notify Carmella Coons of any people living around you that you don't recognize. Please wear your name badges when you are out and about in the community.

The police department continues to advise us to not hesitate to call 911 for any suspicious activity and to avoid confrontation with suspicious persons. You can also use the North Port nonemergency number at 941-429-7300.

Please contact me if you have any general safety concerns or suggestions to keep our park safe. Thank you.

**Sharon O'Reilly**, Trustee Safety

## MEMORIAL BRICKS

Many special memories and people in this park's history are forever captured in the Memorial Brick Garden on the pathway leading up to the Gazebo on Tuscola. I encourage everyone to take a few minutes to walk and enjoy the 205 bricks on this pathway. For more information call Gary Chapman at 231-349-6740 or email him at pappychappy14@gmail.com. Order forms can be obtained from the Holiday Park office.

## MEN'S CLUB INFORMATION

### **Picnic Ticket Sales**

Men's Club Picnic tickets will be sold in the PH 2 card room from 8-10 am on Mondays and Tuesdays. The dates for the November picnic sales are October 31 and November 6, 7, 13, and 14. They will also be sold at the regular meeting on November 9. Men's Club memberships may be purchased at this time also; membership is required for men buying picnic tickets. Please show your membership cards to the persons selling tickets. As always, single ladies can buy tickets without a membership card. This change makes picnic and Men's Club membership sales at the same time. Ticket sales will end at 6:00 pm on November 14.

### **2023-2024 Picnics & Parking**

We will be returning to the PH 1 picnic area in back of the shuffleboard courts. If you come by golf cart, please park all the way back behind the trees where people have their tables and chairs set up. If you have set your table and chairs near the shuffleboard court, please park along side the courts. DO NOT drive golf carts on the pavers in the sidewalks between the parking lot, the shuffleboard court, and the kitchen. Golf cart parking is also available in the designated spaces of the parking lots in front of and on the side of the club house. The change in parking for the picnics is to give the workers room to get from the charcoal cooker to the serving tables and to the beverage area. Please do not park in spaces obviously designated for cars. The entry ways will be the same as always—on both sides of the big tree. Please abide by the NO PARKING lines. Sometimes golf carts, scooters, bikes, and cars are parked on these painted lines which mean NO PARKING in this space. This is important so that there is always access for emergency vehicles if they are needed. It's important to remember that all residential lots of Holiday Park are private property and require permission from the owners if you want to walk across or park on their property.

## **Beautification - Adopt a Pot/Planter**

Holiday Park has had many updates to beautify this residence. Look at the Palm Trees that have been planted and the other renovations. We need to be thankful that there is much pride with wanting to keep this 55 and older park looking unique and aesthetically pleasing to residents and guests who reside here.

The "Adopt a Pot/Planter" crew will have their first meeting at 10 am in PH 2 on Wednesday, November 1, 2023. Meetings will be held in PH 2 on the first Wednesday of each month until April 2024. Our goal is to have a short educational meeting on plant health, nutrients, diseases, and pests along with a discussion about the planters that we have adopted. We welcome new members and encourage you to invite a friend. We are a strong group with many dreams for what we want our park to look like. The goal is to plant flowers prior to November 10th in front of PH 1, PH 2, the front gate, both pool areas, and the herb garden. We need your ideas!

Meet new friends and some not so new. Need more info, call **Joan Mayer @ 941-257-8802**. See you Saturday.

## Social Guitar

Social Guitar will occur starting in December 2023 through April 9th, 2024 on Tuesday evenings in the PH2 card room from 6:30-8:30 pm. Social Guitar provides a great opportunity to start or enhance your guitar playing skills. For those who do not want to play the guitar, come join in and sing along! Any questions, contact **John Sermersheim** at 812-630-0182.

## Tennis

Members, please mark November 11th on your calendar! Club meeting will take place courtside at 8:30, followed by the annual "Turkey Trot" tourney. A sign-up sheet will be posted from Nov. 1st to 8th. Mary Paula will coordinate the format. Members are reminded to bring to the meeting cash or check for annual dues.

Thank you again to those individuals who have worked hard to ensure a fence was installed around the courts, and that court surface repairs were completed! A new bike rack is also in place. A club member has donated a sunshade, which will soon be put in place.

League play for men and women begins the first week of November. Please check the November schedule that Judy sent out, for practice and home match times.

You are reminded to check the bulletin board, as the season progresses, for additional club information.

## **EDITOR'S CORNER**

The holiday season is almost upon us and that means the deadlines for the December and January newsletters will be moved up to allow the printer to complete and deliver them before Thanksgiving and Christmas. **The deadline for submitting articles for the *December* newsletter is November 8th. The deadline for the *January* newsletter is December 6th.** Newsletter articles, calendar events and daily activity additions, deletions or changes need

to be emailed to [holidayparknewsletter@gmail.com](mailto:holidayparknewsletter@gmail.com). The Holiday Park newsletter can be viewed online at [www.holidayparknp.com](http://www.holidayparknp.com).

**Current Residents/New Homeowners:** If you would like your Birthday and/or Anniversary dates included in the newsletter, or you have additions, corrections, or removals, please email me at [holidayparknewsletter@gmail.com](mailto:holidayparknewsletter@gmail.com) or call me at 207-313-8111. Thank you, *Nancy Seelow*

## **TREES FOR TUSCOLA**

HURRAH! HURRAH! By the time you are reading this, you should also be seeing that the TREES for TUSCOLA fund has planted thirteen new palms along Tuscola. We had enough money to pay for these palms and their planting. They must be watered daily for a month and we were lucky that Don LaMaster offered to take on that job. I want to thank all who have donated to make this possible. The cost was a bit over \$4400.00 and we have a couple hundred left. I hope that there will be more donations this season so that we can complete the line of trees that graced our entrance road in Holiday Park. There was no cost to the park for this project. The Treasurer of the Board of Trustees held the money in a separate account and paid for this first withdrawal. If you like the looks of the new trees, please consider a donation to this project. No donation is too small; the trees are a little over \$400 each including the planting and the year's warranty so small donations can add up to another tree. You can give your donation to Don LaMaster or to me. I will even come and pick it up if you want. Call me at 941-426-7287. Thanks to all who have supported this project.

*Lois Langtry*

## RECIPE'S OF THE MONTH

Thank you, *Nancy Seelow*
