GREETINGS FROM THE DISTRICT MANAGER

Happy Summer! I hope everyone is safe and sound. I hope you are staying cool!

We have a few exciting things happening: The Sunshades are being installed, Phase I pool is completed, they are currently working on Phase II Pool. We should have them all completed by the middle of July! New Trees are being planted on Tuscola!

I have noticed many visitors, please be sure to register at the Office!

We have mailed the budget and new rules to every resident, they were mailed a few weeks ago. Unfortunately, we have many returns. This is a costly mailing, please advise us of your northern address. The post office person advised me that if you complete an address change, the postal service will send you an email and you must finish it online or your mail will not be forwarded. If you didn't receive the budget letter, please contact our office.

There is a no smoking policy in the Pool areas, and you must be 25 feet away from any building, this has been in effect since May 2, 2024. Please adhere to this rule. We are making 3 designated smoking areas. If you have any questions or concerns, please contact me.

It is Hurricane Season please ensure all outdoor items are safely secured, we wouldn't want any items blowing around and hitting a neighbor's property. Thank you for complying.

As always, if you have any concerns, I'm available to you in person or by phone. Thank you for your continued support and making Holiday Park the best place to live in North Port!!!

Thank you. **Carmella Coons**, District Manager

HOLIDAY PARK ACTIVITIES AND RECREATION COUNCIL (ARC)

We are well into the summer season. As many of you know Bob and I are currently traveling the country with our travel trailer and have plans to end up in the Upper Peninsula in Michigan before heading south to come home. I was finally able to tour the USS Alabama and the USS Drum in Mobile, Alabama. Going through the submarine was a real eye opener. I can't imagine that many men living in such close quarters.

So, the only park news I know is what we see on Facebook and what others tell us. The PH 1 pool sunshade is complete and work on PH 2 is in progress. By the time this newsletter comes out that one should be done also. It is great to see more things getting done to put Holiday Park in pre-Ian condition and better!

I hope all are having a safe, happy and healthy summer!

Kathy Bachman, HPARC President

DID YOU KNOW.....

- Membership in ARC is limited to homeowners, spouse/significant others living in the same household. 1st year of membership after purchase is free.
- We have a Memorial Pathway near gazebo on Tuscola. Bricks may be purchased for \$50.
- Remove all loose items during hurricane warnings or when leaving for more than 30 days.
- IT IS AGAINST FLORIDA LAW TO FEED WILDLIFE, INCLUDING ALLIGATORS..
- SPEED LIMIT IN THE PARK IS 15MPH.

Disclaimer: Advertisements in the Newsletter are not endorsements by Holiday Park, Park and Recreation District.

LAWNS

Hello, Everyone, well, the rains came finally, and the straw grass is now green again. The swales handled the deluge of the welcome rain, and I thank the lawn crew and all that contributed to our lawn maintenance. With that being said, the scheduling is off for our days to be maintained, our service dates will depend on rain fall, and mowing conditions. Please be patient and understanding, also be aware of the heat index for our lawn people, thank you.

The park also experienced some high winds, please have your lawn decorations secure.

Thank you. **Deb Perla**, Trustee Lawns

HOLIDAY PARK SAFETY

Some suggestions to our residents to continue to keep our park safe include following speed limits, registering guests, wearing HP name badges or guest badges and informing the office if you're leaving for the season and upon your return. Please slow down as you're approaching the gates because they open very slowly.

Please call 911 for suspicious activity. For non-emergency police matters call the North Port police nonemergency number at 941-429-7300. I encourage you to put this number in your phone contacts. Please do not contact the office regarding police matters until they have been reported to the police.

Please contact me if you have any general safety concerns or suggestions to keep our park safe. Thank you.

Sharon O'Reilly, Trustee Safety

IMPORTANT FLORIDA LAW CHANGE

New law, in effect as of October 1, 2023, golf cart drivers under the age of 18 must be at least 15 with a learner's permit or 16 with a driver's license. Anyone who is 18 or older needs a valid government issued ID.

This change in the law is due to the number of children injured and killed while driving golf carts. Please keep your grandchildren safe and do not allow them to drive your golf cart.

FOOD BANK

The Holiday Park food bank is located in the PH 2 hall, next to the Library. If anyone needs my help I am only a phone call away. I am home most of the time and I would be pleased to help anyone in need.

Mariann Underdown 941-429-4846

TREES FOR TUSCOLA

All of you year around residents of Holiday Park have seen the new Palms along Tuscola. Don't they make it look more like our old avenue of trees we had pre-Ian? I hope you snowbirds have seen the pictures on Facebook. All our rain has done 2 things: helped them get a good start and given our volunteer water person, Don Lamaster, a rest! Another group will be ordered for August planting. Thanks to your donations all this is happening. Start a penny jar for all your coins over the summer and add to our HP Trees for Tuscola fund so we can finish our avenue of Palms.

Fuel Pump Skimming
 Skimming occurs when devices illegally installed on ATMs, point-of-sale (POS) terminals, or fuel pumps capture data or record cardholders' PINs. Criminals use the data to create fake debit or credit cards and then steal from victims' accounts.

Tips When Using a Fuel Pump

- Choose a fuel pump that is **closer to the store** and in direct view of the attendant. These pumps are less likely to be targets for skimmers.
- **Run your debit card as a credit card.** If that's not an option, cover the keypad when you enter your PIN.
- **Consider paying inside** with the attendant, not outside at the pump.

If you think you've been a victim of skimming, contact your financial institution immediately.
